

Spend the day with Osprey

**Osprey Boats manufactures one of the widest range of aluminium pontoon boats in New Zealand.**

Osprey Boat builders manufacture and custom build NZ-made alloy fishing boats, family boats, recreational and commercial boats in Nelson.

**Made in NZ for over 25 years.**

### Osprey Boats - Recreational & Commercial Boat Builders

Osprey boats are designed with sleek good looks, proven performance, are tough & durable and offer safe, reliable, dry rides.

Internationally recognised, our world-class alloy pontoon boats are suitable for recreational and commercial use and are extensively used for adventure tourism. They offer a stable, smooth dry ride with comfort. Our New Zealand crafted aluminium boats are perfect for fishing (both family and commercial alloy boats available).

Osprey's ELERT Alloy Trailers are constructed from marine grade alloy, strong but light to tow. Our ELERT (Easy Launch and Easy Retrieve Trailer) comes with a self latching and unlatching mechanism.

**Our Alloy boats have two special characteristics - they are rugged and built to last.**

**Perfect for Commercial**  
Reduce your costs by choosing Osprey.

All Ospreys hardtops/walk arounds are structurally built to Survey specifications as standard.

An Osprey is a cost-effective and solid solution for all your commercial boating requirements.

We manufacture boats for leading New Zealand charter, adventure tourism, water patrol and water taxi operations.

## OUR RANGE

Safe, smooth riding, built to last and practically unsinkable: we build aluminium boats with style.

TRUSTED BY

### Osprettes

The smallest of the range with no compromise on safety and stability but can still do it all, fishing, exploring & diving.

380E	420E
380S	420S
380D	

### Consoles

When taking advantage of every area of space is a must, our console range is the perfect fishing and diving solution.

380SC	520SC/CC
420SC	565CC
450SC/CC	590CC
495SC/CC	

### Cuddies

These mid-sized boats are capable of all boating activities; skiing, fishing, diving - or just getting out for a play around.

450C	520C
495C	565C
	590C

### Hard Tops

These aluminium boats are the perfect fishing boat; praised for their soft dry ride, stability & load carrying capacity.

565HT	700HT
610HT	750HT
650HT	800HT
	850HT

### Walk Arounds

For protection against the elements while still maximising deck space, these are a serious fisherman's weapon.

650WR	800WR
700WR	850WR
750WR	

### Wide Hard Tops & Wide Walk Arounds

With 280mm extra width, our Wide series gives more capacity & stability to go further while still being trailerable.\*

750	900
800	950
850	1000

\*All available in WHT or WWR
